## WHO WE ARE ? COMPANY PROFILE

Doha Plastic Company is one of the leading plastic manufacturing company in Qatar established in 2003. We are manufacturing plastic recycle materials, HDPE pipes, LDPE pipes & fittings, Polythene sheet, Garbage bags, Shopping Bags and other plastic packaging materials. Our factory consist space of 15,000 meter square for production with latest technology machines with huge capacity of production. We have our own brand '**Gulf Pipe**' for the production of our pipes.

Our products are Qatar made plastic products. The trust in our capabilities and our quality made us the choice of leading plastic companies with proud reference to the major projects in the state of Qatar.
